Storm Season - Emergency Preparedness Checklist

We at T.J. De Witt & Co, Inc. would like to remind you that a storm of any type can hit at any time. Don't wait till it's too late – BE PREPARED now and when the storm hits. We have assembled a check list of things to consider to be prepared today and when tomorrow comes!

Generators – if you have a backup generator, make sure you test your generator quarterly, this aids to ensure that it will run properly when you need it most.

Rechargeable batteries – when you test your generator it is a good idea to make sure the rechargeable batteries are charged and ready to use.
